Subject: AEC Bennoc: Conference Call with OEPA

Eric,

OEPA requested that EPA schedule a conference call with OEPA and Murray to discuss EPA's specific objections to the AEC Bennoc OH0144576 proposed permit.

I have secured a time slot with NPDES managers and technical staff for:

Thursday December 12, 2013 1-2:30pm Central time

Please send me the email addresses of those OEPA staff & managers who will be participating, and if Murray does want to participate, please send those contacts' email addresses as well, so I

can include them in the electronic invite to the meeting. We have a conf line reserved.

If you could let me know if any attorneys from OEPA or Murray plan on attending, would appreciate having that information well in advance, so we can include our Office of Regional Counsel attorney, Gary Prichard on the call.

Thanks much,

Janet
